#### ***Claim Rejections - 35 USC § 112***

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1-2 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The composition lacks the term in 'admixture' in order to properly define the compositional components in the formulation.

3. Claims 1-2 are seen as allowable upon correction of the 35 U.S.C 112, second paragraph issue above.
